Praise awaits You in this place today, O Lord
We are gathered, ready, God, to sing Your praise
Ready to respond to the glories of Your name
To the wonders of Your heart
To Your great love

Chorus:

Praise is waiting for You in this place
There's a cry that our spirits will make
As we see Your glory
To your mercies our souls will awake
And we'll sing 'til the break of the day
Because You are worthy
Yes Lord!
Seasons come and seasons go but You remain
So unchanging, all-deserving of our praise
We're ready to respond to the glories of Your name
To the wonders of Your heart
To Your great love
We're ready to respond
To the glories of your name
To the wonders of Your heart
To Your great love
