Salvation spring up from the ground
Lord rend the heavens and come down
Seek the lost and heel the lame
Jesus bring glory to your name
Let all the prodigals run home
All of creation waits and groans
Lord we've heard of your great fame
Father cause all to shout your name
X2
Stir up our hearts oh lord,
Open our spirits to know who you are
Put a cry in us so deep inside that we cannot find the
words we need
We just weep and cry out to you
Chorus again
