"Seeing You"

This is a time for seeing and singing
This is a time for breathing You in
And breathing out Your praise
Our hearts respond to Your revelation
All you are showing, all we have seen
Commands a life of praise
No one can sing of things they have not seen
God, open our eyes towards a greater glimpse
The glory of You, the glory of You
God, open our eyes towards a greater glimpse
Worship starts with seeing You
Worship starts with seeing You
Our hearts respond to Your revelation
Worship starts with seeing You
Worship starts with seeing You
Our hearts respond to Your revelation
