VERSE 1:

Jesus, this life is for You
Everything Lord that I do
Deeds that are pleasing
And ways that are pure
Lord make my life bear this fruit

CHORUS:

This means I love You
Singing this song
Lord I don't have the words
But I do have the will
This means I love You
That I take up my cross
I will sing as I walk out this love

VERSE 2:

For these are the plans of my heart
Yet often I'm missing the mark
See my desire to live in Your truth
This surely means I love You
