There's a place where the streets shine
With the glory of the Lamb
There's a way we can go there
We can live there, be on time

Because of You, because of You
Because of Your love, because of Your blood

No more pain no more sadness
No more suffering, no more tears
No more sin, no more sickness
No injustice, no more death

Because of You, because of You
Because of Your love, because of Your blood

Oh, our sins are washed away
And we can live forever
Now we have this hope
Because of You

Oh, we'll see You face to face
And we'll dance together
In the city of our God
Because of You
True, true, true

There'll be joy everlasting
There'll be gladness, there'll be peace
There'll be wine ever flowing
There's a wedding, there's a feast

Because of You, because of You
Because of Your love, because of Your blood

Oh, our sins are washed away
And we can live forever
Now we have this hope
Because of You

Oh, we'll see You face to face
And we'll dance together

In the city of our God
Because of You

Oh, our sins are washed away
And we can live forever
Now we have this hope
Because of You

Oh, we'll see You face to face
And we'll dance together
In the city of our God
Because of You

There's a place where the streets shine
With the glory of the Lamb
There's a way we can go there
We can live there be on time

No more pain no more sadness
No more suffering, no more tears
No more sin, no more sickness
No injustice, no more death

There is joy everlasting
There is gladness, there is peace
There'll be wine ever flowing
There's a wedding, there's a feast
