When the music fades
All is stripped away
And I simply come

Longin' just to bring
Something that's of worth
That will bless your heart

I'll bring You more than a song
For a song in itself
Is not what You have required

You search much deeper within
Through the ways things appear
You're looking into my heart

I'm comin' back to the heart of worship
And it's all about You
It's all about You, Jesus

I'm sorry Lord for the thing I've made it
When it's all about You
It's all about You, Jesus

The King of endless worth
No one could express
How much You deserve? Lord

Though I'm weak and poor
All I have is Yours
Every single breath

I'll bring You more than a song
For a song in itself
Is not what You have required

You search much deeper
You search much deeper within
Through the way things appear
You're looking into my heart

I'm comin' back to the heart of worship

And it's all about You
It's all about You, Jesus

I'm sorry Lord for the thing I've made it
When it's all about You
It's all about You, Jesus

I'm comin' back to the heart of worship
And it's all about You
It's all about You, Jesus

I'm sorry Lord for the thing I've made it
When it's all about You
It's all about You, Jesus, yeah
It's all about You

Every song we sing
Every breath we breathe, Jesus
Its all about You
It's all about You, Lord

I'm comin' back to the heart of worship
And it's all about You
Since it's all about You, Jesus

I'm sorry Lord for the thing I've made it
When it's all about You
It's all about You, Jesus

Sing to say, it's all about You
Every melody every heart beat
Every breath we breathe
It's all about You

There's no one
It's all about You
It's all about You
It's all about You

Yeah we know that
You will not share Your glory with another
Oh, You shall not share Your glory with another
Jesus, You will not share Your glory with another
Oh, You shall not share Your glory with another

You will not share Your glory with another, Jesus
Oh, You shall not share Your glory with another
There's no other

You will not share Your glory with another
Oh, You shall not share Your glory with another

There's no other
There's no like you in the Heavens and the Earth
