We could try to count the stars  
You already know them each by name  
Every single galaxy was Your design  
Your majesty displayed

Your glory shines before our eyes  
The more we see, the more we love You

King of wonders, we stand amazed  
There's no other, other than You  
King of wonders, You know the way to our hearts  
And the more we see, the more we love You

You reveal and we respond  
You have shown there's no one like You, God  
Your love and mercy welcomes us  
Into the beauty of this Holiness

Your glory shines before our eyes  
The more we see, the more we love You

King of wonders, we stand amazed  
There's no other, other than You  
King of wonders, You know the way to our hearts  
And the more we see, the more we love You

King of wonders, we stand amazed  
There's no other, other than You  
King of wonders, You know the way to our hearts  
And the more we see, the more we love You  
The more we see, the more we love You, God

Your glory shines before our eyes  
You shine, You shine

King of wonders, we stand amazed  
There's no other, other than You  
King of wonders, You know the way to our hearts  
And the more we see, the more we love You

King of wonders, we stand amazed  
There's no other, other than You

King of wonders, You know the way to our hearts  
And the more we see, the more we love You  
The more we see, the more we love You, God
