You light up our way
You bring a brighter future
You light up our lives
Your love is like no other
We are going to shine
Now we are going to shine for You
We won't fear the night
We are looking straight ahead
Never turning back
Counting on Your faithfulness
(CHORUS)
O this God is our God even till the end
Standing strong over us, time and time again
Even till the end
We've walked through storms and
We have walked through sorrow
Still You won't let them steal away tomorrow
We are going to shine
Now we are going to shine for You
We leave the old behind
It will not define us, no
Yesterday is gone
Now anything is impossible
CHORUS
Jesus, You will always be our God
And we won't take our eyes off You
Jesus, You'll forever be the One
We'll have no other God but You
Jesus, You will always be our God
And we won't take our eyes off You
Jesus, You'll forever be the One
We'll have no other God but You
