"Rejoice With Trembling"

We could watch you from afar
And forever be amazed
At how glorious you are
Yet you've drawn us close to you
Where the wonder's greater still
And you overwhelm us, God
And we rejoice with trembling in our hearts
Bring you a song of reverence and love
Jesus, how good, how great you are
And we rejoice with trembling
Before your throne
Who could fully voice the praise
Of the God of endless days
Tell a fraction of your worth?
For we only sing in part
Of the grace of who you are
Just an echo, just a glimpse
And we rejoice with trembling in our hearts
Bring you a song of reverence and love
Jesus, how good, how great you are
And we rejoice with trembling
Before your throne
