We're looking to Your promise of old

That if we pray and humble ourselves

You will come and heal our land

You will come

You will come

We're looking to the promise You made

That if we turn and look to Your face

You will come and heal our land

You will come

You will come to us

Lord, send revival, start with me

For I am one of unclean lips

And my eyes have seen the King

Your glory I have glimpsed

Send revival, start with me
