Lord, we have seen the rising sun, awakening the early dawn

And we're rising up to give You praise

Lord, we have seen the stars and moon, see how they shine

They shine for You and You're calling us to do the same

So we rise up with a song

And we rise up with a cry

And we're giving You our lives

We will shine like stars in the universe

Holding out Your truth in the darkest place

We'll be living for Your glory

Jesus we'll be living for Your glory

Lord, we have seen the rising sun, awakening the early dawn

And we're rising up to give You praise

Lord, we have seen the stars and moon, see how they shine

They shine for You and You're calling us to do the same

So we rise up with a song

And we rise up with a cry

And we're giving You our lives

We will shine like stars in the universe

Holding out Your truth in the darkest place

We'll be living for Your glory

Jesus we'll be living for Your glory, oh

We will burn so bright with Your praise O God

And declare Your light to this broken world

We'll be living for Your glory

Jesus we'll be living for Your glory

Like the sun so radiantly, sending light for all to see

Let Your holy church arise

Exploding into life like a Supernova's light

Set Your holy church on fire

Like the sun so radiantly, sending light for all to see  
Let Your holy church arise  
Exploding into life like a Supernova's light  
Set Your holy church on fire, we will shine, yeah, we will  
shine

We will shine like stars in the universe  
Holding out Your truth in the darkest place  
We'll be living for Your glory  
All our days Jesus we'll be living for Your glory, oh

We will burn so bright with Your praise O God  
And declare Your light to this broken world  
We'll be living for Your glory  
Jesus we'll be living for Your glory, oh

So we rise up with a song  
And we rise up with a cry  
And we're giving You our lives  
Jesus we'll shine
