When I survey the wondrous cross  
On which the Prince of Glory died  
My richest gain I count but loss  
And pour contempt on all my pride

See from His head, His hands, His feet  
Sorrow and love flow mingled down  
Did ever such love and sorrow meet  
Or thorns compose so rich a crown

Oh the wonderful cross, Oh the wonderful cross  
Bids me come and die and find that I may truly live  
Oh the wonderful cross, Oh the wonderful cross  
All who gather here by grace draw near and bless Your  
name

Were the whole realm of nature mine  
That were and offering far too small  
Love so amazing, so divine  
Demands my soul, my life, my all
