When everything is breaking  
You are left unshaken  
When everything is tumbling down  
You are the solid ground

The nations could be quaking  
The economy is failing  
But fear is found all around  
You are the solid ground

Oh God you are,  
All that you say you are  
You never change, you never failed, you'll never fail  
Oh God you are  
Faithful in all your ways  
Forever You stand, forever You reign, forever remain  
We shall not be shaken

We shall, We shall not be shaken  
We shall, We shall not be shaken  
When all around is sinking sand

For you are, you are never changing  
You are, you are never changing  
You stand, the Great I am

The Great I am
