Your love has captured me
Your grace has set me free
Your life the air I breathe
Be glorified

Your love has captured me
Your grace has set me free
Your life the air I breathe
Be glorified in me

You set my feet to dancing
You set my heart on fire
In the presence of a thousand kings
You are my one desire

I stand before You now
With trembling hands lifted high
Be glorified

Your love has captured me
Your grace has set me free
Your life the air I breathe
Be glorified in me

You set my feet to dancing
You set my heart on fire
In the presence of a thousand kings
You are my one desire

I stand before You now
With trembling hands lifted high, yeah, yeah

You set my feet to dancing
You set my heart on fire
In the presence of a thousand kings
You are my one desire

I stand before You now
With trembling hands lifted high

Be glorified in me, be glorified in me

Be glorified in me, be glorified in me
Be glorified in me, be glorified in me
Be glorified in me, be glorified in me, yeah

You set my feet to dancing
You set my heart on fire
In the presence of a thousand kings
You are my one desire

I stand before You now
With trembling hands lifted high

You set my feet to dancing
You set my heart on fire
In the presence of a thousand kings
You are my one desire

I stand before You now
With trembling hands lifted high
Be glorified, oh, oh
