Open your eyes
This isn't all my fault, love
I'm as blue as the sky
Was down at the lake this morning because
Our love was no lie
But it couldn't keep a secret
And neither can I
And that is why I now sing this

Hey, I can't hear a goddamn thing
Above all the screaming
I can't hear a goddamn thing
The anger's deafening
ow I can't hear a goddamn thing
No
I can't hear a goddamn thing
Not a word that you're saying to me

Open your ears
Stop, drop, roll and listen
We had fire for years
But now the sidewalks glisten
Our dreams were no lie
You never seem to come true
You say that I didn't try
So I just up and left you

Hey, I can't hear a goddamn thing
Above all the screaming
I can't hear a goddamn thing
The anger's deafening
ow I can't hear a goddamn thing
No
I can't hear a goddamn thing
Not a word that you're saying to me

Not a word that you're saying to me

And I can't hear a goddamn thing
Above all the screaming
And I can't hear a goddamn thing
The anger's deafening

Now I can't hear a goddamn thing
No
I can't hear a goddamn thing
Not a word that you're saying to me
