#### Verse 1:

It haunts me every night  
Memory of darker days  
Cant see the light  
Your shadows all around  
Lessons learned  
You taught me how to run away  
But I'll be a man  
Fit to fight and strong to stay

#### Chorus:

I live with this one regret  
In every single mirror  
Your reflection's in my eyes  
But I dont wanna be  
Never gonna be you

#### Verse 2:

Everytime I look  
deep into that woman's eyes  
I see her pain  
hear her screaming deep inside  
Lord set us free  
Save us from these time restraints  
Dont let us be  
Crippled by his memory

#### Chorus:

I live with this one regret  
In every single mirror  
Your reflection's in my eyes  
But I dont wanna be  
Never gonna be

#### Bridge:

You (I dont want to be)  
You(I dont want to be)  
You

#### Chorus:

I live with this one regret

In every single mirrors  
your reflection's in my eyes  
but I dont wanna be  
never gonna be  
I live with this one regret  
In every single mirror  
Your reflection's in my eyes  
But I dont wanna be  
Never Gonna be  
I dont wanna be  
Never Gonna be you
