I was just drunk enough
To call her up at 2 am
Like I swore to myself I wouldn't do again
I was just drunk enough
To ask if I could come by and stay the night
Make up, make out and make all the wrong things right

Yeah I was just drunk enough
To open up my heart
And say what I was feeling
I didn't hold nothin' back
I didn't try to hide
Anything my whiskey mind was thinking

I was just drunk enough
To say I love you one more time
It rolled off my tongue like it did
When she was mine
But I was just drunk enough
To let her cold words
Make me mad as hell
I found the strength to tell her
This ship was gonna sail

Yeah I was just drunk enough
To open up my heart
And say what I was feeling
I didn't hold nothin' back
I didn't try to hide
Anything my whiskey mind was thinking

I was just drunk enough
To pour myself another shot
I broke that bottle on the floor
To match my heart
I was just drunk enough

I was just drunk enough
Drunk enough
Drunk enough
