We got beer iced down in the cooler
Truck radio crankin Hank Jr
Everbody's gettin looser
Son, look what ol' Burley's got
Boys we're about to kick her up a notch

Well
Shine
Straight from a mason jar
Shine
Let's let the party start
Shine
We do it right in these parts
Everybody have a good time
Take a sip and pass it down the line
Shine

This old hay field just came alive
Everybody's dancin by the fireside
Were gonna be here all night
I think I've had a little too much
But its hard to have just enough
When you got

Shine
Straight from a mason jar
Shine
Let's let the party start
Shine
We do it right in these parts
Everybody have a good time
Take a sip and pass it down the line
Shine

That carolina sun is risin and were still standin
Might as well kick off the mornin with some

Shine
Straight from a mason jar
Shine
Let's let the party start
Shine

We do it right in these parts
Everybody have a good time
Take a sip and pass it down the line
Shine
I said everybody have a good time

Shine
Straight from a mason jar
Shine
Let's let the party start
Shine
We do it right in these parts
Everybody have a good time
Take a sip and pass it down the line
Shine
