Never been much good on my own
So I'm tryin' to find somebody else
Never been good at findin' much 'cept this
Loneliness all by myself
Spottin' you ain't been easy
I could use one hand, maybe two
'Cause I got this spot right beside me baby
Waiting here just for you

So you go hide
And I'll come seek
And maybe someday in the middle
We just might meet
Because I'm counting to a hundred
And I promise I won't peek
As you go hide
And I come seek

How much longer will this game go on
I guess only time will tell
'Cause I hate to hear that you're all alone
Overlooked in search of someone else

So you go hide
And I'll come seek
And maybe someday in the middle
We just might meet
Cause I'm counting to a hundred
And I promise I won't peek
As you go hide
And I come seek

Please show your face
Because I want you to be it...yeah
I want you to be it

You go hide
And I'll come seek
And maybe someday in the middle
We just might meet
Because I'm counting to one hundred
And I promise I wont peek

As you go hide
And I'll come seek

[fade] I come seek
