My hands are dirty  
My collar blue  
But I got love strong enough for you.  
If you were my woman  
And I was your man  
I'd love you as strong, as hard as I can

Cause I'm an honest man,  
Make an honest wage  
I don't got no treasures to get in my way.  
But if you were my woman  
And I was your man  
I'd give you my love, it's all that I have

I won't try to be something I ain't  
You can't trace my bloodline to princes and saints.  
If you were my woman  
And I was your man  
I'd love you forever, with all that I am  
I'd love you forever, with all that I am  
I'd love you forever, with all that I am
