Ok, I cant look into you anymore  
There's just nothin' left to see  
Every time I try to imagine things working out  
I realize it wasn't meant to be

But I'm ok  
I'm alright  
I'm doin' ok  
I'm doin' just fine  
I was fine before I met you  
And I'll be fine after tonight

Girl, you're really dancin' now  
The way your shirt hovers over your belt  
Got me wrapped up  
Got me reeled in  
Don't let this happen  
Don't let this happen again

'Cause I'm ok  
I'm doin alright  
I'll be just fine  
Once I turn out the light  
I was fine before I met you  
And I'll be fine after tonight

Why does this happen all the time  
Something's hit me once and it has left me blind  
This sort of thing I'm prone to i guess  
Oh Lord, another one of your tests

But the way your hair looks  
Keeps drawin' me in  
And the smile you wear  
Has quickly become my friend  
Oh God, I don't wanna do this again

'Cause I'm ok  
I'm doin alright  
I'll be just fine  
Once I turn out the light  
'Cause I was fine before I met you

And I'll be fine after tonight
