La la la-la, la la la-la, la la la-la ah la-la
La la la-la, la la la-la, la la la-la ah la-la

There's a window into a magical place
Where I've always wanted to go
And am I dreaming or am I awake
I don't know it just feels like home

'Cause Santa's always on the way
It's Christmas morning every day

Sometimes I wished I lived in a snow globe
Where the wind blows
It's wonderful
And every single time that you shake it
You'll make it
So beautiful

La la la-la, la la la-la, la la la-la ah la-la
La la la-la, la la la-la, la la la-la ah la-la

Candy canes, they grow on trees
And snowmen come out to play
Everyone lives in a gingerbread house
What a shimmering holiday

Come with me, yeah take my hand
To glitter blizzard wonderland

Sometimes I wished I lived in a snow globe
Where the wind blows
It's wonderful
And every single time that you shake it
You'll make it
So beautiful

La la la-la, la la la-la, la la la-la ah la-la
La la la-la, la la la-la, la la la-la ah la-la

Repeat Chorus 2x
