Bust it
I donâ€™t wanna waste your time
Spending all of my life
Thinking where weâ€™re going to be this time
tomorrow
If itâ€™s the way that I talk or those things that you
bought
Please donâ€™t tell me that youâ€™ve changed with
all your crying
You waste your time spending all of my dough
If it donâ€™t stop I just wonâ€™t take anymore
And the beat goes on
I said all night
Your favorite song
And the beat goes on
Treat me right
It wonâ€™t be long
Is it the problems we had
Mine knows my mom and my dad
I would tell you that I changed although Iâ€™m lying
What makes you happy you see is when itâ€™s you
and its me
No one bothers us with any of their problems
You base your fashion on those glossy magazines
And look for people just to be seen
And the beat goes on
I said all night
Your favorite song
And the beat goes on
Just treat it right
It wonâ€™t be long
You think that I donâ€™t know the deal
Iâ€™ve seen you around the city swinging
Those hipsters that youâ€™re always with
From SOHO down to the village
And the beat goes on
I said all night
Your favorite song
And the beat goes on
If you treat me right
It wonâ€™t be long
And the beat goes on

I said all night
Your favorite song
And the beat goes on
