All is silent
Alone in the darkness
Tryin' to help you
I swear I'm tellin' you the truth
Now I'm going alone
Leaving tomorrow
I'm looking at your tears
And I don't know how I said

Goodbye,
You're just what I'm lookin' for
There's no one I want more
You're just what I'm lookin' for

Yeah

Miles away now
Another dark hotel room
I'll keep my promise,
That I'm comin' home soon
And I know you're alone
Cause I can hear your cryin'
When I hear your voice

It makes it hard for me to say

Goodbye,
You're just what I'm lookin' for
This I know for sure
There's no one I want more
You're just what I'm lookin' for

Sometimes I am afraid
Of losin' your precious games
Oh please don't give in now
Turn me down, and throw it all away
Heyy

You're just what I'm lookin' for
This I know for sure
There's no one I want more
You're just what I'm lookin' for

Oh please
Don't go walkin' out that door
Cause you're just what I'm lookin for

Yeah
