And love...
Such a silly game we play, oh,
Like a summer's day in May.
What is love, what is love?
I just want it to be love
Oooh. oh

I, I, I, I, I... I can feel it in your kiss
It just gives me tender bliss
What is love, what is love?
I just want it to be love
Oooh. oh.

When I feel you around,
I was mad as hell when I hit the ground.
When I see you laugh away
It hurts but I just won't say,
Uh uh uh. Loveee...

Who can tell me? I am lost.
I just think that I am strong.
What is love, what is love?
I just want it to be love.
Ooooh ooh.

When I feel you around,
I was so upset we fell on the ground
When I see you mad at me
It was such a silly thing
Ooooooh

And love...
Such a silly game we play,
Like a summer's day in May.
What is love, what is love?
I just want it to be love
Ooooh. oh

And I, I, I, I, I, I can feel it in a kiss
It is something I will miss
What is love, what is love?
I just want you to be love
