When I was alone,  
All these tears I cry,  
Every night, my love

When I see you smile,  
Takes my breath away  
Yeah every night, my love

When I was young, oh...  
I didn't believe in anything  
But now that I'm strong  
I just think that I-maybe-I love you

CHORUS:  
I believe in miracles  
My love, do you?  
I believe that you and I could be,  
Do you too?  
I believe in miracles my love  
I hope you do- too

All those summer nights,  
I would always try to see your face,  
My love, something that I said  
Told you not to feel, don't be sad, my love  
When I was strong, I didn't believe in anything  
When I was wrong, I just think that I-maybe- I love u

Chorus  
I believe in miracles  
My love, do you?  
I believe that you and I could be,  
Do you too?  
I believe in miracles my love  
I hope you do too

I know that I'd miss you  
If I try and change my ways can I see u in a long long  
day  
I want to be with you  
My love is here to stay stay

Chorus  
I believe in miracles  
My love, do you?  
I believe that you and I could be,  
Do you too?  
I believe in miracles my love  
I hope you do too  
I hope you do toooo  
I hope you do tooooo
