Hey, I know your mad at me
I'm on my knees and begging please
Just stay with me

Temptation's there, it made me weak
I didn't think you'd care for me
Like the way you do

So, please understand
And give me one more chance
Cause I don't know what I did that night
It was a moment of weakness
I hope that we can be alright
It's just a moment of weakness

Wasted, can't remember things
I drank too much and really think
This is a bad dream

People make mistakes
You need to know
Why can't you let it go
Like I want you to

So, please understand
And give me one more chance
Cause I don't know what I did that night
It was a moment of weakness
I hope that we will be alright
It's just a moment of weakness

Do you hear what I'm saying? Oh
It didn't mean a thing
I know your right
Oh why?

It was a moment of weakness again
And I just need some forgiveness
I want you to help me get through this now

It's just a moment of weakness
It was my moment of weakness

I just need some forgiveness from you
Ahhhhhhhhh Ahhhhhhhhhhhh
Ahhhhhhhhh Ahhhhhhhhhhhh

Oh, just a moment of weakness
Oh, just a moment of weakness
