I was a lonely man,
Almost twenty-five,
Just wanted to fall in love,
At some point in my life,
Met this girl we dated,
She was such a freak,
Kept asking me when I'd call,
I told her umm next week

All of these things I are true about you
All of these things I want to do to you

Hey man I feel alright,
These New York girls are crazy,
They look so good and they taste so fine,
These New York girls are crazy,
Save me, Save me,
These New York girls are crazy,

Crazy, Save me, Please.

Thought I should give it up,
Go out to LA,
I heard those blonde hair babes live there lives a
different way,
I found me this hottie girl we were drinking all night
long,
And talking about all things she flashed me her red
thong.

All of these things I are true about you
All of these things I want to do to you

Hey man I feel alright,
These New York girls are crazy,
They look so good and they taste so fine,
These New York girls are crazy,
Save me, Save me,
These New York girls are crazy,
Crazy, Save me, Please
