Sometimes I feel like I am alone now
Trying to hold on
Maybe I'll just give up
All those times when I said I loved you
I only meant to
Our love was so new

So much
How long can I wait for you
Our time
I want you to come with me
You'll see too

Paradise, paradise
You and I
Paradise

Want to hold you
Touch you and feel you
Not try to please you
Just like I did before
All those times I'll sing you these lullabies
It's now or never

Will our love weather

So much
How long can I wait for you
Our time
I want you to come with me
You'll see too

Paradise, paradise
You and I
Paradise

Oh I think we're closer now
Touch me over and over baby
I just want you to stay this way
Come with me
And just take me away
Far away

Paradise, paradise
You and I

Paradise
