Same old story about the two of us  
I never meant to hurt you 'cause I love you so much  
Oh, darlin', darlin', darlin', if it's all the same  
I never wanted to be in love 'cause it makes me insane

Won't you come down this way?  
Baby, don't go away

I wanna play with you, girl  
I wanna roll on the ground  
I wanna play with you, girl  
'Cause you've been working for hours

Went down to Prince Street  
To try to change your mind  
I would do anything  
'Cause I'm out of my mind

You used to be so wonderful  
You used to be so kind  
I'll never take you for granted  
And cross that line

Won't you come down this way?  
Baby, don't go away

I wanna play with you girl  
I wanna roll on the ground  
I wanna play with you girl  
'Cause you've been working for hours

I wanna play with you girl  
I wanna roll on the ground  
I [Incomprehensible] now  
'Cause you've been working for hours

Times will change  
I don't understand the moves  
Can't commit right now  
Please don't make me choose

Why you'd go and leave me on my own?

I stand here into the sun

Baby, don't go away

I wanna play with you girl  
I wanna roll on the ground  
I wanna play with you girl  
'Cause you've been working for hours

I wanna play with you girl  
I wanna roll on the ground  
I [Incomprehensible]  
'Cause you've been working for hours

I wanna play with you girl  
I wanna roll on the ground  
I [Incomprehensible]  
'Cause you've been working for hours

I wanna play with you girl  
I wanna roll on the ground
