Silent

Alone in the darkness

Tryin' to help you

I swear I'm tellin' you the truth

Now I'm going alone

Leaving tomorrow

I'm looking at your tears

And I don't know how I said

Goodbye

You're just what I'm lookin' for

There's no one I want more

You're just what I'm lookin' for

Yeah

Miles away now

Another dark hotel room

I'll keep my promise

That I'm comin' home soon

And I know you're alone

'Cause I can hear your cryin'

When I hear your voice

It makes it hard for me to say

Goodbye

You're just what I'm lookin' for

This I know for sure

There's no one I want more

You're just what I'm lookin' for

Sometimes I am afraid

Of losin' your precious games

Oh, please don't give in now

Turn me down and throw it all away

Hey

You're just what I'm lookin' for

This I know for sure

There's no one I want more

You're just what I'm lookin' for

Oh, please  
Don't go walkin' out that door  
'Cause you're just what I'm lookin' for  
Yeah
