I, I know it's only time.  
Only time until,  
You pull the job that kills.  
You say you'll never do it  
Again but you know  
You will.  
Call your boys who know  
The drill.  
It pains me to see how  
You get your thrill.  
Now time will prove,  
Now you have to choose,  
If life's the game you lose,  
By taking one last chance  
And falling,  
To the Gangster Blues.  
I, I heard the people say,  
You're in high demand.  
Well badness will follow  
Badman.  
You know you only do it  
Son cause you know  
You can.  
Another drive  
Another gram.  
Well think of your family,  
Understand.  
Now time will prove,  
Now you have to choose,  
If life's the game you lose,  
By taking one last chance  
And falling.  
You know it's true,  
Life can be so cruel.  
Time won't wait for you.  
And I don't want my  
Friend a victim,  
Of the Gangster Blues.  
Bad man and bad John  
From all bout.  
Rock it out.

Me draw for me spliff not  
The Cocaine.  
Me lef it out.  
Babylon ah watch me run  
Big tings from long time.  
Time, time ey yeah.  
Burning, hustling, smuggling,  
Planting.  
Ah bare weed me deal wid  
And me nah touch,  
De hard ting.  
Soon done ya chattin when  
De war start fi happen  
Right now.  
Now time will prove,  
Now you have to choose,  
If life's the game you lose,  
By taking one last chance  
And falling,  
To the Gangster Blues.
