Oh yeah  
In so many ways  
I?m not a fighter I?m a lover  
This aint the old days I?m a 21st century brotha

And if you don?t know  
Who I am  
You will never know  
You don?t know, so you try to keep it on the down low  
Unless you wanna tell me when I ask you:  
Who am I to you?

Yo mama don?t know  
Yo daddy aint sho  
Who am I to you?

Everybody you know  
Passed me straight on the road  
Now I?d like to know who am I to you?

The sun is going down  
An the streets are getting empty  
I?m a stranger in your town  
I?ll be your friend if you would let me

And if you don?t know  
Who I am  
You will never know  
You don?t know, So you try to keep it on the down low  
Unless you wanna tell me when I ask you;  
Who I am to you

Yo mama don?t know  
Yo daddy and sho  
Who am I to you?  
(Who I, who I)

Every body you know (Who I, who I)  
Passed me straight on the road (Who I, who I)  
Now I'd like to know (brotha)  
Who am I to you? (brotha)

You don?t know  
Never know  
Don?t know  
Down low  
Unless you  
Ask you  
Who I am to you?

Yo mama don?t know  
Yo daddy aint sho  
Who I am to you?  
Everybody you know passed me straight on the road  
Now I?d like to know, Who I am to you
