"Unbounded Imbalance"

Visit "[Unbounded Imbalance](#)" on MotoLyrics.com

Unbounded imbalance of ecstatic repercussions
For the denial of the human soul
Brought forth in full due to current realizations
Of connection to another
Overflowing offerings of emotionally saturated words
Trying to define esoteric psychological effects
I cannot comprehend
How much further does it go?
Reason no longer exists
Limitless chaos has ensued
I'm slipping into boundless passion
This dictates reality
And reality has been altered
Now nothing will ever be the same
