A-hem

What we have here is a very, serious delicate situation

Lots of people out here always ridin the dick, hmmph

But check this out

I like your style, I like your stride

and I like your motivation

But the Late Show, we ain't standin for that shit

So my man right here he wrote a little song about it

Why don't you sing it

[Common]

Ring the, alarm, here comes, the Com

Call me Mr. Hollywood -- check it out!

Ring the, alarm, here comes, the Com

Call me Mr. Hollywood

On the Goodship, Lollipop

POP goes the lolli lolli, for I'm, the Jolly

Good Fellow, he-LLO? Is anybody there?

I'm not a step, so don't stare

Because I Rock-well I always feel like

I always feel like, Somebody's Watchin Me

ooh, Somebody's Watchin Me

It's gotta be that, that that that nigga that sweat my shit

I say say say, "Black get off the 'zack,

you block my urinal tract"

I gotta go pee-pee, yo you don't know me

You're just a New Kid on My Jock, tip-seekin and you're

phony

It's my little pony and you cannot get a ride

So when you see me homey, just please just step aside

Step aside, not talkin wldside, I'm comin from the

Southside

where the ruffnecks reign; if you can't stand it, don't

go outside

Cause it's hot I got the stuff to call your bluff and pull

your card

and nowadays it's all these dick kids, that wanna be

hard

You're FRAUDULENT, I can tell a pussy by his scent

So sorry, but the van got tipped

And out is how I'm lookin, I'm lookin out for my people

I'm fly like I'm fly like but me don't have no eagle
