Big City Life, me try forget by
Pressure nah ease up no matter how hard me try
Big City Life, here my heart have no base
And right now Babylon deep on me case

Big City Life, try forget by
Pressure nah ease up no matter how hard me try
Big City Life, my heart have no base
And right now Babylon deep on me case

People in a show, all lined in a row
We just push on by, it's funny, how hard we try
Take a moment to relax, before you do anything rash

Don't you wanna know me? Be a friend of mine
I'll share some wisdom with you
Don't you ever get lonely, from time to time
Don't let the system get you down

Big City Life, me try forget by
Pressure nah ease up no matter how hard me try
Big City Life, here my heart have no base
And right now Babylon deep on me case

Big City Life, try forget by
Pressure nah ease up no matter how hard me try
Big City Life, my heart have no base
And right now Babylon deep on me case

Soon our work is done, all of us one by one
Still we live our lives, as if all this stuff survives

Don't you wanna know me? Be a friend of mine
I'll share some wisdom with you
Don't you ever get lonely, from time to time
Don't let the system get you down

The Linguist across the seas and the oceans
A permanent Itinerant is what I've chosen
I find myself in Big City prison
Arisen from the vision of man kind

Designed, to keep me discreetly neatly in the corner
You'll find me with the flora and the fauna and the
hardship
Back a yard is where my heart is
Still I find it hard to depart this Big City Life

Big City Life, me try forget by
Pressure nah ease up no matter how hard me try
Big City Life, here my heart have no base
And right now Babylon deep on me case

Big City Life, try forget by
Pressure nah ease up no matter how hard me try
Big City Life, my heart have no base
And right now Babylon deep on me case

Big City Life, me try forget by
Pressure nah ease up no matter how hard me try
Big City Life, here my heart have no base
And right now Babylon deep on me case

Big City Life, try forget by
Pressure nah ease up no matter how hard me try
Big City Life, my heart have no base
And right now Babylon deep on me case
