Oh yeah
In so many ways
I'm not a fighter I'm a lover
This aint the old days I'm a 21st century brotha

And if you don't know
Who I am
You will never know
You don't know, so you try to keep it on the down low
Unless you wanna tell me when I ask you:
Who am I to you?

Yo mama don't know
Yo daddy aint sho
Who am I to you?

Everybody you know
Passed me straight on the road
Now I'd like to know who am I to you?

The sun is going down
An the streets are getting empty
I'm a stranger in your town
I'll be your friend if you would let me

And if you don't know
Who I am
You will never know
You don't know, So you try to keep it on the down low

Unless you wanna tell me when I ask you;
Who I am to you

Yo mama don't know
Yo daddy and sho
Who am I to you?
(Who I, who I)

Every body you know (Who I, who I)
passed me straight on the road (Who I, who I)
Now id like to know (brotha)
Who am I to you? (brotha)

You don't know
Never know
don't know
Down low
Unless you
Ask you
Who I am to you?

Yo mama don't know
Yo daddy aint sho
Who I am to you?
Everybody you know passed me straight on the road
Now I'd like to know, Who I am to you
