(Susanna Clark/Richard Leigh)

My daddy told me when I was a young girl  
A lesson he learned, it was a long time ago  
If you want to have someone to hold onto  
You're gonna have to learn to let go  
You got to sing like you don't need the money  
Love like you'll never get hurt  
You got to dance like nobody's watchin'  
It's gotta come from the heart  
If you want it to work  
Now here is the one thing I keep forgettin'  
When everything is falling apart  
In life as in love, you know I need to remember  
There's such a thing as trying too hard  
You got to sing like you don't need the money  
Love like you'll never get hurt  
You got to dance like nobody's watchin'  
It's gotta come from the heart  
If you want it to work  
You got to sing sometimes like you don't need the  
money  
Love sometimes like you'll never get hurt  
You got to dance, dance, dance like nobody's watchin'  
It's gotta come from the heart if you want it to work
