Ooo, Jabba on the Dais
Ooo, Jabba on the Dais
Ooo, Jabba on the Dais, ooo!

Te, te, te, te, tell Jabba that I've got the money...
If I told you half the things I've heard about this Jabba
the Hutt, you'd probably short-circuit.

1944, Modesto, California... George Lucas is born
1976, Decland Mulholand appears as Jabba in a
cutscene from "Star Wars"
1977, "Star Wars" debuts to stellar box office receipts
1980, "The Empire Strikes Back" opens to a response
most impressive
1983, Jabba makes his film debut in "Return of the Jedi"
1997, "Star Wars: Special Edition" includes a cutscene
now featuring a CGI Jabba
On March 7 of that same year, Jabba appears in the
special edition of "Return of the Jedi"
1999, Mississippian rock singers Matthew Beall and
Petch Lucas record:
Jabba on the Dais
Jab, Jab, Jabba on the Dais
on the dais (repeat 15x)
on the dais, on the dais
on the dais
on the dais, on the dais
on the dais
on the dais, on the dais
Jabba on the Dais!

A dingy palace in the desert flats of Tatooine
a drunken revelry of aliens so cross and mean
amidst the smokey haze and intergalactic chaos
There sprawls the mighty one himself, look! It's Jabba
on the Dais
Like a two ton slug upon a concrete throne
he swigs his brandy as he tosses his rancor a bone
springin' trap doors on dancers when they won't put out
this hutt is vile beyond comparison, there ain't no
doubt!

on the dais, on the dais
on the dais
on the dais, on the dais
on the dais
on the dais, on the dais
Jabba on the dais

At Jabba's side is perched the cackaling Salacious
Crumb
who rips at Threepio's eye sockets with his scaly thumb
while on the stage Max Rebo Band sing and play
and through the door comes Skywalker to save the
day!
Han Solo's chillin' on the wall when Chewie's brought
before
the court of Jabba where C-3PO's knocked to the floor
the thermal detinator and disguise are really Leia's
as she makes a bogus deal with mighty JABBA ON THE
DAIS!

on the dais, on the dais
on the dais
on the dais, on the dais
on the dais
on the dais, on the dais
Jabba on the dais

In the corner Boba's macking with that dancing chick
while Bib Fortuna's falling for Luke's old Jedi mind trick
Lando tries to be unnoticed though he bumps his head
and Princess Leia's talking smack but gets chained up
instead!
the rancor's stomach is growlin' but he'll soon be dead
'cause master Luke is gonna drop a blast door on his
head
and now the revelry is silenced from it's drunken
chaos,
and a floppin' and a flailin', Jabba's bitchin' on the dais!

on the dais, on the dais
on the dais
on the dais, on the dais
on the dais
on the dais, on the dais
Jabba on the dais

on the dais, on the dais
on the dais
on the dais, on the dais
on the dais
on the dais, on the dais

Jabba on the dais

Vader made me
Do it to him, baby!
Vader made me
Do it to him, baby!
Vader made me
Do it to him, baby!
Yeeaaa yeeaa yeeaahh!!
Yeeaaa yeeaa yeeaahh!!
Jabba, Jabba, please unlock me!
Jabba, Jabba, please unlock me!
Jabba, Jabba, please unlock me!
Yeeaaa yeeaa yeeaahh!!
Yeeaaa yeeaa yeeaahh!!

on the dais, on the dais
on the dais
on the dais, on the dais
on the dais
on the dais, on the dais
Jabba on the dais
