Broken lips of the fallen stars
kiss kiss, bang bang, shake the jungle beat today
get lost in this urban jungle today
cause the jester of the court, ain't funny
ringtones of the red team, nothing for the blue
say your prayers, secrets never lie
but the king of the mountain does

Stolen breath what ever you prefer
to send those goodbyes to thee
gallery of the collection of memories back
like those winter nights - summer days
check up those arguments of boredom
miss your charm, count your curses
those deadly kisses and jealous doctors
are getting me sick now

Third's time the charm, fourth one's a crime
signposts of a sanity loss'd day night-less
this ain't a scene, but it sure is funny
your lawyer cut back the losses of today's news
just for you, just for you

Stolen breath what ever you prefer
to send those goodbyes to thee
gallery of a collection of memories back
like those winter nights - summer days
check up those arguments of boredom
miss your charm, count your curses
those deadly kisses and jealous doctors
are getting me sick now
