People are fragile like teacups
like the left foot dance foes
cross your fingers, close your eyes
cause closing the door, ain't a sin
but forgiveness is

Nostalgic foot prints on the dance floor
looks can kill, but don't catch a cold now
swallow your pride, not a pill
remix of your life, ain't that pretty now
feel the beat of the 1,2,3
1,2,3 but not too fast now

People are fragile like teacups
like the left foot dance foes
cross your fingers, close your eyes
cause closing the door, ain't a sin
but forgiveness is

stop counting those leaping sheep thou
the sandman's asleep, and so are you
never sick of the flash - flash photography
got me in a headspin for the jungle beat
sing your songs, learn your lines
but never say your sorrow in a iron fist
wishing well of broken dreams or stolen lights
dance for one, sing for two, sleep for three

People are fragile like teacups
like the left foot dance foes
cross your fingers, close your eyes
cause closing the door, ain't a sin
but forgiveness is

People are fragile like teacups
like the left foot dance foes
cross your fingers, close your eyes
cause closing the door, ain't a sin
but forgiveness is

I ain't ain't ain't ain't a sinner

but I ain't saying sorry now...
