My body is a temple  
C'mon worship me  
I am your Saint John  
The one you pray to at night  
When your all alone  
With only fear by your side

Sacrification, in every nation  
There is a person,  
Who looks just like you  
But he is a suicidal-idal  
Just like you were  
But now, your body is torn into pieces  
After a demonic ritual  
This is Sacrification

First life is wonderful  
Second life is just mocking it  
So, why are the lost souls  
Living again.....?  
Just to haunt us down...!  
because...Sacrification

Sacrification, in every nation  
There is a person,  
Who looks just like you  
But he is a suicidal-idal  
Just like you were  
But now, your body is torn into pieces  
After a demonic ritual  
This is Sacrification

My body is a temple  
C'mon worship me  
I am your Saint John  
The one you pray to at night  
When your all alone  
With only fear by your side

Sacrification, in every nation  
There is a person,  
Who looks just like you

But he is a suicidal-idal  
Just like you were  
But now, your body is torn into pieces  
After a demonic ritual  
This is Sacrification

My body is a temple  
C'mon worship me  
I am your Saint John  
The one you pray to at night  
When your all alone  
With only fear by your side
