I'm a secret admirer, of someone special
Hidden and Dangerous
One day, she found out, who I was
My identity was the criteria
For a thousand lies and rumours
If only the letters, to her
were kept a secret
She would would have been mine

Love is dangerous
espically when you get hurt
It's ful of broken hearts and jealousy
love anguishes the heart
as it burns in hate
Love is a war, that never stops
Until someone gets hurt

I'm a seeker of hearts
Not some guy in cupid's chokehold
Many rejections in the past
Many yet, fear to come

Love is dangerous
espically when you get hurt
It's ful of broken hearts and jealousy
love anguishes the heart
as it burns in hate
Love is a war, that never stops
Until someone gets hurt

I'm a secret admirer, of someone special
Hidden and Dangerous
One day, she found out, who I was
My identity was the criteria
For a thousand lies and rumours
If only the letters, to her
were kept a secret
She would would have been mine

Love is dangerous
espically when you get hurt
It's ful of broken hearts and jealousy

love anguishes the heart
as it burns in hate
Love is a war, that never stops
Until someone gets hurt
