Hi ya men  
All set for the meeting  
Could be, could be  
Well, wish me luck men  
Good luck

Gotta stop that man  
I gotta stop that man, cold  
Or he'll stop me

Big deal, big rocket  
Thinks he has the world in his pocket  
Gotta stop, gotta stop  
Gotta stop that man, that man

Now, there you are  
Yes, there's that face  
That face, that somehow I trust  
It may embarrass you  
To hear me say it  
But say it I must, say it I must

You have the cool, clear  
Eyes of a seeker  
Of wisdom and truth

Yet there's that upturned chin  
And that grin of impetuous youth  
Oh, I believe in you  
I believe in you

I hear the sound of good  
Solid judgment  
Whenever you talk

Yet there's the bold  
Brave spring of a tiger  
That quickens your walk  
Oh, I believe in you  
I believe in you

And when my faith

In my fellow man  
All but falls apart  
My, but to feel  
Your hand grasping mine  
And I take heart, I take heart

To see the cool, clear  
Eyes of a seeker  
Of wisdom and truth

Yet, there's that slam, bang, tang  
Reminiscent of gin and vermouth  
Oh, I believe in you  
I believe in you

Gotta stop that man  
Gotta stop that man  
Or he'll stop me

Big wheel, big beaver  
Boiling hot with front office fever  
Gotta stop, gotta stop  
Gotta stop that man

Oh, I believe in you  
(Don't let him be such a hero)  
I believe in you  
(Stop that man, gotta stop him)  
You  
(Stop that man, gotta stop him)  
You  
(Stop that man, gotta stop him)  
You
