"You Are My World"

There is nothing boy that can stop my
Course
I will hold you tight never let you go
Tomorrow's party will never end
Like a bud in spring our love will
Bloom and grow

Your eyes to me are precious stones
On a face that's made of a solid gold
When I hold your hand I want to cry
And your loving arms to protect me
From the cold you are my world

The soul inside now belongs to you
I'm drowning in a love so deep
We will overcome those ups and
Downs
So happiness is forever ours to keep

I will follow you to the end of time
I will be the blood flowing through your veins
I will ride with you till the end of the
Line
You will be my everything my world
You are you are you are you are
Oh boy you are my world
