Do do do

Do do do

Do do do

Do do do

Let's get the party started

All born to stay up late

No one gets out of this one

No one gets out of this

Got a life from life on TV

Two eyes that stay in my skull

Long enough to start believe

If you give it up they'll love you for it

Give them blood and they'll love you for it

You're not my girl

You're just tired

Do do do

Do do do

Do do do

Do do do

Let's get the party started

All born to stay up late

No one gets out of this one

No one gets out of this

You're not my girl

You're just tired

Give it up and they'll love you for it

Give them blood and they'll love you for it

You're not my girl

You're just tired

Do do do

Do do do

Do do do

Do do do
