And wake up in the same room  
Put on the same clothes  
Run through the same excuses that never work  
And outside your door there is a light that don't shine  
no more  
Maybe it just never worked

And hush now baby don't you cry  
Mamas gonna buy you a reason why  
And if that reason why aint smart  
Mamas gonna buy u a brand new heart  
Brand new heart

Nothing seems the same  
Like walking in the rain  
When the moon is full  
And nothing ever changes inside  
I push you never pull

And hush now baby don't you scream  
Maybe life aint what it seems  
And if you are to fall apart  
Just don't drop your brand new heart  
Your brand new heart

Do ya feel like leaving?  
Do ya feel like their gonna make you crawl  
Do ya feel like were leaving?  
And nothing at all

Do ya feel it?  
Feel it  
Feel  
Nothing at all...
