Hey alice

i'm caving in

i know it's not allowed

but sometimes i fantasize

i'm peeling off my skin

enough to fill it up again

hey rabbit

into the pavement

i'm caving in

mother told me to be something

so i'm afraid enough to stay wide awake

hey rabbit

i came to win

i know it's not allowed

but sometimes you might find

it feels like nothing is

and it's everything you've been

hey alice

into the pavement

i'm caving in

mother told me to be something

so i'm afraid enough to stay wide awake

this ain't real baby, i've got a better excuse for myself

i'm always here
