I found me a reason
So check me tommorrow
We'll see if I'm leakin
Pushin pushin push till it hurts
A devils on roller skates
Down at the roller rink
Pickin up chicks for me
Ones that

Pushin pushin push till it hurts
Pushin push till it hurts
Do you need love like I need love
And it's so bad
It's so bad
Do you need love like I need love
And it's so bad
It's so bad

Lifes for the livin
So check me tommorrow
We'll see if I'm kiddin
Pushin pushin push till it hurts
Did it on riddelin
I got me some good grades
Now I work me the night shift
Where I'm pullin pullin pull till it hurts
Pullin pull till it hurts

Do you need love like I need love
And it's so bad
It's so bad
Do you need love like I need love
And it's so bad
It's so bad

Hello timebomb
I'm ready to go off
Hello timebomb
I'm ready to go off

(hehe)

If lifes for the livid
Then check me tommorrow
We'll see if I'm emperor
The devils on chicken snacks
Down at the radioshack
We're turning shit into solid gold
Solid gold

Do you need love like I need love
And it's so bad
It's so bad
Do you need love like I need love
And it's so bad
It's so bad
Hello timebomb im ready to go off
Hello timebomb im ready to go
Ready to go off
