monster feeding

Like a climber

lost in the mountains

i dream

only of sleeping

Ain't it something?

Ain't this something?

Ain't we something?

Nothing to move

nothing in here to explain

Just pillow clouds of poison gas

and moving on somewhere

that always stays

miles away

miles away

miles away

miles away

miles away

miles away

miles away

And you're miles away

Matthew Good Band Life Beyond The Minimum Safe  
Distance
